NATIONAL SHRINE OF THE LITTLE FLOWER

6413 S. DANTE AVE.

Chicago 37, Illinois

One of the beautiful altars at the National Shrine of the Little Flower conducted by the Carmelite Fathers who are most grateful for your recent communication and enclosure.

Be assured of our prayers and cooperation with your request. Your assistance is placing many priests at the Altar of God.

The National Shrine is the first dedicated to Saint Therese in America and possesses the most priceless relic collection.
